of land is situated on a very important locality in Kadarappa is already the owner of the ~~land~~ site + buildings There is a Storm Water drain of 15 feet width between the site purchased on auction and also the site proposed to be given In view of this drain it Cannot be said that the Site is Contiguous to the Site and that therefore the should be enclosed In fact the private part Cannot be allowed beneath the Storm Water drain Taking all these into Consideration I am strongly of opinion that the Site should be auctioned after wide publicity and the proceeds will improve the finances of the Mly which is going in for loans for all important Schemes

or it should not be open to any body to prevent traffic accidents if a better use of it is kept open and enclosed Sd/ Secy Com & Labour) by the Corp. 8/8
